Certified in accordance with the terms of the US-Canada Organic Equivalency Arrangement

Effective date: June 10, 2011
Issued Date: July 06, 2023

Once certified, a production or handling operation's organic certificate continues in effect until surrendered, suspended or revoked.

Anniversary Date (when the certified operation must submit its annual Organic System Plan update): April 20, 2024

OIA in granting this certification, warrants that it has reviewed the above Certified Party's application, inspection, and other records and determines that the products identified above are organically grown and/or processed and/or handled in accordance with applicable USDA National Organic Program standards and statutes. Each commercial operation should have the corresponding transactional certificate indicating lot number. The Certified Party, in acceptance of this certificate, warrants that it is and will remain in full compliance with the Terms and Conditions of the USDA National Organic Program and all applicable standards and statutes.

In case of OIA proving that rules for organic production are not being fulfilled, corresponding actions will be taken.
